Subject: Request for NOI submitted under 1995 MSGP

Hello,

I am trying to track down an NOI that may have been submitted under the 1995 MSGP. The facility is Super Salvage, Inc., located in Washington D.C. and the permit number (according to EPA ECHO) is DCU000035. If you could provide any information related to the NOI for this facility, I would certainly appreciate it. Please let me know if further information is required.

Thank you.

Sincerely,

Allison Graham
